COMMUNITY PROFILE

FACULTY PROFILE

ENROLLMENT DATA

The information presented in this section provides the reviewer of Your School Profile with the general perspective and overview of your school.

Within this section, we recommend you include:

Your school's location and demography

The profile of the community in which your school resides

Possible other options:

Faculty profile to highlight your staff's credentials, education and background

Enrollment or admission requirements for your school

Your school's mission

CURRICULUM

This section of Your School Profile should highlight the unique curriculum of your school.

Within this section include:

Grading policy

Unique coursework

Depth and breadth of curriculum offered

Also include:

Honors or accelerated curriculum

Process for enrollment in honors or accelerated curriculum

Calculation of grade point average

Weighted or un-weighted grade point average policy

Policy of ranking or no ranking

GRADUATION REQUIREMENTS

Within this section, list your school's graduation requirements.

CLASS OF 2016
POST GRADUATION PLANS

Within this section, include a chart or list of where your graduates attend upon graduation.

This could include college attendance, work, gap year or post graduate study.

This section provides the viewer with an detailed and comprehensive understanding of the range of options your students consider beyond graduation.

TEST DATA 2016
ACADEMIC YEAR

Within this section, indicate the following:

SAT Data

ACT Data

AP Test Data

IB Test Data

State specific data as required by your state's graduation requirement

ADDITIONAL
INFORMATION

Each school is defined by its unique requirements. This section is generally used to detail special programs defined by your school.
