High School and Community

The information presented in this section provides the reviewer with the general overview of your school.

Within this section, include:

Your school's location and demography

The profile of the community in which your school resides

Possible other options:

Faculty profile to highlight your staff's credentials, education and history

Enrollment or admission requirements to attend your school

Your school's mission

Academics 2016-2017

This section of your school profile should highlight the unique curriculum of your school.

Within this section include:

Grading policy

Unique coursework

Depth and breadth of curriculum offered

Graduation Credit Requirements

Within this section, list your school's unique graduation requirements.

Class Rank and Grade Point Average

Indicate your school's ranking system (if any) and how your grade point average is calculated. Also included within this section could be the grading rubric.

Grades Distribution

Some schools like to define their grade distribution in detail. For a three page profile, define how grades are distributed for your entire school's population.

Advanced Placement (AP), International Baccalaureate and Honors Level Courses Offered

Within this section, define the Advanced Placement, International Baccalaureate or Honors Level coursework your school offers.

Testing

Within this section, detail the testing results for tests such as:

SAT

ACT

AP

IB

State Specific Testing Data

Matriculation

Information related to post high school plans for your graduates.
